

Privacy statement for Software Architects Limited

Last Updated: September 2025.

Software Architects Limited ("we," "us") is committed to protecting your personal data in compliance with Jamaica's **Data Protection Act, 2020**. This statement outlines how we handle your information.

What We Collect

When you use our website, we may collect:

- **Information you give us:** Your name, email address, and phone number when you fill out a contact form.
- **Technical information:** Your IP address and browser details, collected automatically to help us improve our site.

How We Use Your Information

We use your data for specific, lawful purposes:

- To respond to your service inquiries.
- To fulfill our contractual obligations to you.
- To improve our website and user experience.
- To send you marketing updates, but only with your explicit consent.

Data Security and Sharing

We protect your data with strong security measures to prevent unauthorized access.

- We **do not sell** your personal data.
- We may share your information with trusted partners who help us operate our business, or if required by Jamaican law.

Your Rights

Under Jamaican law, you have the right to **access, correct, erase, or object** to the processing of your personal data. You can also **withdraw consent** for marketing at any time.

Contact Us

To exercise your rights or ask questions about this policy, please contact our Data Protection Officer:
